

LIFE MANAGEMENT CENTER, INC.
POSITION DESCRIPTION
Last Revised 09/25/2026

Incumbent's Name:		Employment Status: Regular/Full-Time
Job Title:	CRF Driver/MHA	Reports To: Director of Nursing
Classification:	Non-Exempt	Supervises: N/A

Mission Statement:

It is the mission of Life Management Center to inspire confidence and respect as a provider of comprehensive behavioral care and family counseling services and to be a valued partner in the alliances that promote the health and quality of life of our community and its members.

JOB SUMMARY:

Provides secure client transportation to local hospitals and provides supervision and care in accordance with professional staff direction and Central Receiving Facility (CRF) procedures. Ensures unit safety and assists clients in activities of daily living. Provides supportive contact with clients.

ESSENTIAL/CORE JOB-SPECIFIC DUTIES AND RESPONSIBILITIES

1. Supervises clients while transporting clients from the CRF and constantly ensures safety. Ensures a secure hand-off to the receiving facility.
2. Completes travel log thoroughly for each trip. Keeps vehicle clean and fueled. Turns in gas receipts according to procedure. Reports any problems with the vehicle to the Maintenance Department immediately.

OTHER JOB-SPECIFIC: When on the CRF unit and not transporting:

1. Supervises clients on special observation/precautionary status levels as assigned by supervisor. Monitors other clients in accordance with program procedures or as assigned by supervisory staff.
2. Assists clients with activities of daily living as needed (eating, personal hygiene, etc.). Assists clients in ambulating as needed.
3. Assists with accurate inventory of client belongings as needed.
4. Assists with monitoring client compliance with contraband prohibition in accordance with unit procedures to ensure the safety and security of clients and staff. Notifies nurse of any suspected possession of contraband or potentially dangerous object on unit or in vehicle.
5. Communicates immediately to nursing and Counselors important information regarding client's concerns or complaints regarding physical and emotional needs, changes in client functioning or status, any symptoms of possible medical or psychiatric emergencies, or possible missing persons or elopements.
6. Monitors and ensures unit/facility cleanliness, order, safety, and security throughout shift. Takes

appropriate actions as needed to prevent or correct safety hazards. Provides basic cleaning in the absence of housekeeping staff as requested or as directed by supervisor, nursing, or counselor. Complies with documentation of "Change of Shift" checklist.

7. Assists in the placement of clients into seclusion as directed by a nurse using approved techniques and methods. Observes and documents monitoring of client behavior in accordance with unit procedure. Initiates and/or immediately responds to "code green" as needed in accordance with unit procedure.
8. Participates in shift report as directed. Communicates key information regarding client functioning and status as appropriate to ensure oncoming shift is aware of any special needs of clients. Completes inter-shift checklist with oncoming/previous shift to ensure unit safety and cleanliness. Attends staff meetings as required.
9. At the conclusion of a shift, must clear departure with the unit supervisor to ensure shift coverage and continuity. May be required to remain on duty at the conclusion of a regularly scheduled shift at the discretion of the unit supervisor if the staffing needs of the unit so dictate. For example, if the "replacement" does not report for duty, and absence would result in a variance from required or safe staffing levels, must remain on duty until adequate alternate coverage can be arranged.

CLINICAL COMPETENCIES/PERFORMANCE

1. Demonstrates knowledge and skills to systematically obtain, analyze, and interpret relevant data and information to determine treatment recommendations and priorities.
2. Demonstrates knowledge about substance abuse, dependence, and other addictive behaviors and their treatment. Demonstrates ability to screen for psychoactive substance toxicity, intoxication, withdrawal symptoms, and co-existing mental health problems; and determine the client's readiness for treatment and change.
3. Demonstrates ability to screen for danger to self or others.
4. Demonstrates understanding of the range of treatment needed and knowledge of available treatment resources and their appropriate use in formulating with the client mutually agreed-upon treatment goals and measurable objectives.
5. Therapeutic Relationships/Ethics: Effectively establishes rapport, maintains appropriate therapeutic relationships, empathizes and communicates with clients. Respects and ensures protection of client rights and confidentiality/ privacy. Demonstrates knowledge of and adherence to accepted ethical and professional standards of conduct.
6. Demonstrates knowledge and skills of Trauma Informed Care to assist clients with potential paths for recovery and recognize the signs and symptoms of trauma.

CENTERWIDE EXPECTATIONS

1. Performance Improvement: Initiates efforts to improve job, program, or Agency performance and quality of services. As appropriate, participates in Apalachee performance improvement initiatives or activities (e.g., work teams, committees, etc.).

2. Initiative/Acceptance of Responsibility: Demonstrates self-motivation and self-reliance. Performs tasks willingly and carries out assigned duties. Adjusts to peaks in work load; demonstrates flexibility and adaptability to change. Performs additional responsibilities as needed/required.
3. Attitude/Customer Relations: Demonstrates a positive, supportive, respectful and helpful attitude in interactions with all clients, visitors, other employees and the public. Contributes to cohesive group relationships; uses open communication to identify and resolve problems in and between units/departments.
4. Client Safety: Demonstrates a commitment to ensuring services provided/job performed promote and maintain a culture of client safety throughout the agency. Effectively communicates and proactively identifies risks to help reduce errors and other factors that may contribute to unintended adverse outcomes.
5. Attendance: Observes assigned work hours, use and scheduling of leave, and punctuality by using PowerTime. Provides notification of absences, tardiness and leave requests in accordance with the Agency's policies and procedures. Respects length of time taken for lunch breaks and work breaks.
6. Training and Education: Maintains compliance with required training in accordance with established time frames on My Learning Pointe. Seeks opportunities to increase knowledge and competencies which benefit the position, program or Agency.
7. Other duties as required: Complies with changes in duties and assignments in a positive and cooperative manner.
