

**LIFE MANAGEMENT CENTER OF NORTHWEST FLORIDA, INC.
JOB DESCRIPTION**

DATE ESTABLISHED: 7/18/2018
DATE AMENDED:

TITLE OF POSITION: Care Coordinator CCST

POSITION NUMBER: 21-09

PROGRAM: Bay Co

COMPONENT: Recovery Team

MINIMUM TRAINING, CREDENTIALS AND EXPERIENCE REQUIRED: Bachelor's degree in a behavioral science is required and one year of applicable experience preferred. Skills and competence to establish supportive trusting relationships with persons with severe and persistent mental illnesses and respect for client rights and personal preferences in treatment are essential. Must have a valid Florida driver's license and meet all Center requirements for vehicle operations and transportation of clients in Center and non-Center vehicles.

Completion of Cardiopulmonary Resuscitation and Basic First Aid training (within six months of hiring). Completion of four hours of HIV/AIDS education (within 30 days of hiring) and two hours of HIV/AIDS information (biannually).

Compliance with minimum standards for screening of mental health personnel as contained in F.S. 394.4572.

Life Management Center relies heavily on technology to run its business; therefore, all employees are required to have basic computer skills. These basic skills will include knowledge of creating folders, saving and retrieving files, e-mail (Outlook), MS Office (Word and Excel), using web browsers such as Internet Explorer and/or Mozilla Firefox, along with operating a keyboard, mouse, and printer.

Life Management Center maintains and enforces a drug-free workplace policy. Applicants are required to be drug tested prior to employment. Under certain circumstances, employees may also be required to submit to drug and/or alcohol testing. Information on the Drug-Free Workplace Policy is contained in the employee Handbook and set forth in the Drug-Free Workplace Policy, available through the Human Resources Department and the organization's website at www.lmccares.org

SUPERVISOR: Recovery Team supervisor

POSITIONS SUPERVISED: None

SALARY MINIMUM: \$33,000

WAGE AND HOUR STATUS: Non-Exempt XX

DESCRIPTION OF DUTIES AND RESPONSIBILITIES: ¹

ESSENTIAL FUNCTIONS: (Essential functions of this position are listed below. The position also includes additional functions as needed and/or assigned by supervisor.)

1. Serve as single point of accountability for the coordination of an individual's care with all involved parties (i.e., criminal or juvenile justice, child welfare, primary care, behavioral health care, housing, etc.)
2. Identify or assist with identification of persons meeting population guidelines for Care Coordination according to Guidance Document 4 (Section C-1.s.s Section 394.9082. F. S). (LMC Policy 4073). These are high risk populations or those who have had frequent or long stays in behavioral health in patient units.
3. Coordinate services, supports, and cross system collaboration to ensure the individual's needs are met holistically. Use of Wrap Around service model.
4. Engage persons served in their natural environments, seeking out and encouraging participation from the individual's network of interpersonal and community relationships.
5. Develop a care plan reflecting activities and interventions that draw on sources of natural support.
6. Use of a standardized assessment to determine level of care to provide a common language across providers to assist in determining service needs.
7. Involve family and others in the decision making based on the individualized strength based plan of care. Use of the individual's perspective and strengths, using options and choices reflective of the individual's values and preferences.
8. Provide community based services and supports in the most inclusive, most responsive, most accessible and least restrictive setting possible to promote integration into home and community life.
9. Obtain release of information consents and data sharing agreements as allowed by federal and state laws to allow for sharing of information among Network Service Providers, natural supports and system partners involved in the individual's care.
10. Provide effective transitions with individuals using "warm hand-offs". Provide face to face contact with individuals.
11. Identify providers for the transfer of persons served. Obtain release of information consent to be able to communicate effectively with others involved in care during potential transfers.
12. Use of Cultural and linguistically competent skills to insure respect for and build on the values, preferences, beliefs, culture and identity of the individual served and their community.
13. Use of outcome based Care Coordination to ensure goals and strategies of the Care Plan are tied to observable or measurable indicators of success, monitor progress in terms of these indicators and revise the care plan accordingly.

¹ Expectations regarding quality and quantity of work are further delineated in the criteria-based performance appraisal.

14. Participate in staffing regarding the identified population and participate in the process to transfer persons between needed services both in-patient and out-patient.
15. Ensure communication, introductions and warm hand-offs between other service providers.
16. Assist with Circuit Transfer forms and continued care for the individual.
17. Transfer to a new service provider when needed providing introduction to the new provider, facilitation of medical record transfer and coordinating with the new service provider for the physical transfer and confirmation of actual service deliver to assure client satisfaction and engagement.
18. Regularly attend organizational staff meetings to assess client status and progress, to coordinate treatment activities, and to develop treatment solutions to problems other staffs are having.
19. Document progress of individuals to maintain a permanent record of client activity according to established methods and procedures.

OTHER ESSENTIAL FUNCTIONS:

1. Travel required between multiple service sites, to the homes or residences of persons served, and within the six county region.
2. Perform away-from-Center intervention activities.
3. When no other alternatives are available, transport individuals in personal or Center vehicles.
4. Maintain a productivity standard equivalent to a Case Manager 2 level.
